

## **Clinical Associate Staff-Term, Division of Cardiac Critical Care – Hospital for Sick Children**

The Department of Critical Care Medicine, Division of Cardiac Critical Care at The Hospital for Sick Children is inviting applications for the position as a Clinical Associate Staff-Term appointment. The effective date of this appointment is July 1st 2018.

**Primary Description** – The candidate must have training and a clinical background in pediatric cardiac intensive care. Responsibilities include full-time equivalent clinical pediatric cardiac critical care practice, and research, education, and administrative responsibilities as required by a Staff Physician in the Department of Critical Care Medicine. Evidence of excellence in teaching and research is required.

### **Additional Description**

The candidate must be eligible for certification with the Royal College of Physicians and Surgeons of Canada, and licensure with the College of Physicians and Surgeons of Ontario. Medical staff appointments in the Department and at The Hospital for Sick Children are aligned with clinical faculty classifications at the University of Toronto and as specified by the Toronto Academic Health Science Network (TAHSN). The Clinical Associate Staff – Term category is a twelve (12) month appointment to the department of Critical Care Medicine and does not include an appointment at the University of Toronto, but does include the potential for renewal following review of Hospital need and the previous year's performance.

### **Hospital/Division Description**

Dedicated exclusively to children and their families, The Hospital for Sick Children is a world-renowned, state-of-the-art paediatric health care facility affiliated with the University of Toronto. The hospital is committed to ongoing learning and development, and features a caring and supportive work environment. The Division of Cardiac Critical Care Medicine currently comprises 7 Physicians, and is responsible for the comprehensive care for all patients admitted to the Cardiac Critical Care Unit, including mechanical support of the circulation. Clinical responsibilities may also include participation in other collaborative teams within the Labatt Family Heart Centre depending on interests, experience and qualifications.

Salary will be between the range of \$120,000 - \$200,000, as well as commensurate with qualifications and experience. Benefits include Medical, Dental, Life, Group Insurance, Pension, Vision.

### **Application instructions**

Please submit applications and curriculum vitae by June 1<sup>st</sup>, 2018 to: Dr. Steven Schwartz, MD, FRCPC, Division Head of Cardiac Critical Care, Department of Critical Care Medicine, 555 University Avenue, Toronto, Ontario, Canada M5G 1X8. E-mail: [steven.schwartz@sickkids.ca](mailto:steven.schwartz@sickkids.ca)

The Hospital for Sick Children is strongly committed to diversity within its community and especially welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities, members of sexual minority groups, and others who may contribute to the further diversification of ideas. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.
