William Osler Health System (Osler) is one of Ontario's largest community hospital organizations, delivering innovative health care with compassion through more than 650,000 patient interactions every year. With three hospital sites: Brampton Civic Hospital, Etobicoke General Hospital and the new Peel Memorial Centre for Integrated Health and Wellness, we offer a wide range of health services, with care provided by skilled health professionals working in multidisciplinary teams.

We are seeking a new **Critical Care Physician** to join our team to work at both the Etobicoke General and Brampton Civic Hospital sites. The Intensive Care Unit at the Brampton Civic site is a 24-bed medical-surgical unit and an 8-bed step down unit. The Intensive Care Unit at Etobicoke is a combined medical-surgical Coronary Care Unit, with 12 dedicated Critical Care beds. These Intensive Care Units feature a talented multidisciplinary care team working in a patient-centred environment providing support to the medical, oncology, nephrology, and surgical services. The Intensive Care Units also support intensivist-led Critical Care Response Teams.

The successful candidate must be able to be licensed to practice in Ontario and hold a subspecialty certificate in Critical Care Medicine from the Royal College of Physicians and Surgeons of Canada.
