

Intensivist
Regina, Saskatchewan, Canada

Posting Date: May 1, 2024

Remuneration: Fee-for-service

Benefits: Responsibility of the physician

Language of Work: English

Number of Vacancies: 2

Position Profile:

The Regina Area with the Saskatchewan Health Authority is seeking two (2) team-oriented, professional, and fellowship-trained specialists in Adult Critical Care Medicine to join our dynamic and expanding department. These positions are for independent, fee-for-service physicians to provide service in the Intensive Care Units (medical and surgical ICUs) in Regina. Call coverage is shared with colleagues and candidates also share in funds made available from the Specialist On-Call Program for the Department.

Candidates will be responsible for the care and management of patients in the Medical/Surgical ICUs at the Regina General Hospital, ICU at the Pasqua Hospital, and provision of consultation for mechanically ventilated patients in the Coronary Care Unit at Regina General Hospital. These ICUs provide tertiary-level critical care services, caring for a broad range of patients with the exception of transplantation. Opportunities exist to participate as a Donor Physician as well as clinical practice in a candidate's base specialty during off service weeks.

The Saskatchewan Health Authority (SHA) is dedicated to learning and is a partner in the growing educational needs of medical students and residents from the College of Medicine, University of Saskatchewan.

The Community:

Regina is the capital of Saskatchewan, Canada and is a beautiful oasis on the prairies with a steadily growing population exceeding 250,000. According to MacLean's Best Communities in Canada 2019, Regina came in second in the Prairies and 74th across the country, scoring well in population growth, commute, amenities and culture. Regina was Canada's 33rd fastest-growing community in 2019, adding 12.7 per cent more residents over the past five years. Regina is known for its generous, friendly people and rich community. This welcoming prairie city has an abundance of parks, sports and recreational facilities, bicycle pathways, family attractions and an exceptional quality of life. The United Nations have awarded Regina as a 'Tree City of the World' for the second year in a row. There are many attractions and events that take place all year in Regina for residents and tourists alike www.regina.ca.

The Saskatchewan Health Authority:

The SHA is the largest organization in Saskatchewan, employing over 44,000 employees and physicians responsible for the delivery of high quality and timely healthcare for the entire province. We are driven by the commitment to improve frontline patient care for Saskatchewan people, and we are working together to better coordinate health services across the province to ensure that patients receive high quality, timely healthcare, wherever they live in Saskatchewan.

The SHA supports a shared commitment to a representative workforce that is respectful and inclusive of all staff and clients. We welcome applications from those who will contribute to the diversity of our community.

Qualifications:

Successful candidates will hold certification from the Royal College of Physicians and Surgeons of Canada (RCPSC) in Adult Critical Care Medicine and be eligible for provisional or regular licensure from the College of Physicians and Surgeons of Saskatchewan (CPSS).

This individual should be a team player, be able to interact effectively with patients, colleagues, staff and management, and function well in a high volume environment with a commitment to provision of high quality patient and family centered care.

In accordance with immigration requirements, preference will be given to Canadian citizens and permanent residents of Canada.

The start date for this position is negotiable. Applications will be accepted until the position is filled.
