

Associate Staff Intensivist, Cardiac Critical Care – Hospital for Sick Children

The Department of Critical Care Medicine, Division of Cardiac Critical Care at The Hospital for Sick Children is inviting applications for the position as an Associate Staff. The effective date of this appointment is July 1st 2018.

Primary Description – The candidate must have training and a clinical background in pediatric cardiac intensive care. Responsibilities include full-time equivalent clinical pediatric cardiac critical care practice, and research, education, and administrative responsibilities as required by a Staff Physician in the Department of Critical Care Medicine. Evidence of excellence in teaching and research is required.

Additional Description

The successful candidate must be committed to a career as an academic clinician. The candidate must be eligible for appointment at the rank of Assistant Professor at the University of Toronto. The candidate must be eligible for certification with the Royal College of Physicians and Surgeons of Canada, and licensure with the College of Physicians and Surgeons of Ontario.

Hospital/Division Description

Dedicated exclusively to children and their families, The Hospital for Sick Children is a world-renowned, state-of-the-art paediatric health care facility affiliated with the University of Toronto. The hospital is committed to ongoing learning and development, and features a caring and supportive work environment. The Division of Cardiac Critical Care Medicine currently comprises 7 Physicians, and is responsible for the comprehensive care for all patients admitted to the Cardiac Critical Care Unit, including mechanical support of the circulation. Clinical responsibilities may also include participation in other collaborative teams within the Labatt Family Heart Centre depending on interests, experience and qualifications.

Salary will be between the range of \$120,000 - \$400,000, as well as commensurate with qualifications and experience. Benefits include Medical, Dental, Life, Group Insurance, Pension, Vision.

Application instructions

Please submit applications and curriculum vitae by March 1st, 2018 to: Dr. Steven Schwartz, MD, FRCPC, Chief of the Division of Cardiac Critical Care, Department of Critical Care Medicine, 555 University Avenue, Toronto, Ontario, Canada M5G 1X8. E-mail: steven.schwartz@sickkids.ca

The Hospital for Sick Children is strongly committed to diversity within its community and especially welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities, members of sexual minority groups, and others who may contribute to the further diversification of ideas. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.
