

## Intensivist NIAGARA HEALTH

The Department of Medicine, Division of Critical Care at Niagara Health seeks a highly skilled and motivated physician with a track record for providing compassionate and efficient care to join the Department. This is a fully integrated and hospital-based program with diverse experiences in acute inpatient management supporting all departments (medicine, surgery, oncology, obstetrics and gynaecology).

Niagara Health is one of the largest multi-site health care systems in Ontario serving 450,000 residents within the Regional Municipality of Niagara. With 912 beds, 4,800 employees, 640 physicians and a \$500M budget, Niagara Health provides a wide range of inpatient and outpatient services across six sites encompassing operations in Fort Erie, Niagara Falls, Niagara-on-the-Lake, Port Colborne, Welland and a one million square foot state-of-the-art hospital in St. Catharines.

The transformation of healthcare service delivery across Niagara continues with planning underway to build an additional ultramodern hospital in South Niagara Falls to provide accessible and quality healthcare to residents of the Southern Region. Niagara Health is positioned, by virtue of its geography and regionally distributed resources, to exemplify the best of regional capacity with local service delivery. Strong academic partnerships are a priority for Niagara Health as the organization builds on a robust relationship with McMaster University's Michael G. DeGroot School of Medicine.

<b>Current Group:</b>	<ul style="list-style-type: none"> <li>• 10 Intensivists</li> </ul>
<b>Call:</b>	<ul style="list-style-type: none"> <li>• 5 day shifts and 2 night shifts per calendar month, rotating through four intensive care units.</li> </ul>
<b>The Practice:</b>	<ul style="list-style-type: none"> <li>• Group Practice with competitive compensation with no overhead</li> </ul>
<b>Academic Affiliations:</b>	<p>Since its founding in 1966, innovation has been the hallmark of McMaster University's Michael G. DeGroot School of Medicine and a major contributor to its international reputation for excellence. The medical school has expanded to a regional campus in Niagara, which is located at Brock University. Students at the Niagara Regional Campus complete their clinical rotations in one of the six area hospitals with teaching done by the highly skilled and motivated hospital physicians.</p> <p>Opportunities for strengthening and building strong academic partnerships are a priority for Niagara Health as the hospital has expanded into this new facility. We are interested in Physicians who</p>

	<p>will pursue a university faculty appointment and participate in academic activities within a strong regional community hospital setting.</p> <p>In addition to McMaster, Niagara Health is building strong ties with other regional academic providers such as Brock University and Niagara College.</p>
<b>Tertiary Care:</b>	<ul style="list-style-type: none"><li>• Hamilton Health Sciences and St Joseph's Healthcare Hamilton 1 hour away</li></ul>
<b>Qualifications Required:</b>	<ul style="list-style-type: none"><li>• Independent license or eligible for independent license with the College of Physicians &amp; Surgeons of Ontario (CPSO)</li><li>• FRCP(C) or equivalent</li><li>• Eligible to work in Canada without restrictions</li></ul>
