

2023 CANADIAN CRITICAL CARE REVIEW (CCCR) PROGRAM

June 8 – 9, 2023

The Old Mill, Toronto

Learning Objectives

The learning objectives are developed based on the Royal College of Physicians and Surgeons of Canada objectives of training in Adult Critical Care.

By the end of the program, participants will be able to:

- Describe evidence-based approaches to assessment of adult patients with critical illness;
- Develop and implement evidence-based management plans for adult patients with critical illness.

Each session is 45 minutes with a minimum of 25% dedicated to participant interaction.

THURSDAY, JUNE 8, 2023

Sessions will be held in Brule BC.

Breakfast and lunch will be held in Brule A.

Exhibits and breaks will be held in Brule A.
