

Dear Canadian Critical Care Society members,

[Dr. Brian Kavanagh MB FRCPC](#)

Over the weekend, the CCCS was notified that Dr. Brian Kavanagh passed away on June 15th, 2019 due to complications related to malignancy. This is a huge loss for the Critical Care community.

April 15th 1962 - June 15th 2019

We were privileged to work with Brian in forming a partnership with Critical Care Canada Forum, a world renowned meeting that he was instrumental in developing.

Our deepest sympathies are extended to his family, friends and co-workers.

We will forward more information about services and recognition as they develop.
