

Life. Career. Balance.

EXPERIENCE IT. ONLY AT SOUTHLAKE.

At Southlake, we've created something special: a big city hospital that hasn't lost its community heart; a place where teamwork is the norm and new leaders are continually discovered; an environment where you can put your skills to work today, while advancing towards your career goals for tomorrow; and a collegial workplace focused on achieving work-life balance.

If you are committed to excellence, passionate about making a difference, and looking for a place where your career can flourish, come join us.

Southlake has some of the highest staff and physician satisfaction scores in the province. The latest data by NRC Picker confirms that we are providing the premium practice environment that you have been hoping for.

Newmarket is located in York Region, part of the Central LHIN, on the northern edge of the Greater Toronto Area, allowing easy access to city activities as well as a short distance to cottage country and ski resorts. Residents of York Region enjoy access to an array of real estate options and public and private schools, making the area a choice location for many young families.

CRITICAL CARE SPECIALISTS (2)

Southlake is seeking 2 Royal College certified Critical Care Medicine Specialists to support the expansion and development of our Critical Care Medicine services in order to meet the continued growth of the communities we serve. As a fellowship-trained Critical Care Medicine specialist, your primary role will be to contribute equitably to the provision of 24/7 support to Southlake's Critical Care Services including our physician-led Critical Care Outreach Team, as well as our tele-critical care services.

Southlake is a Centre of Excellence and premier practice destination with outstanding facilities and clinical outcomes. You will join a Department of Medicine with over 90 Active Staff members with access to a full complement of subspecialty staff supporting a number of regional, tertiary-care programs including regional cardiac, cancer and thoracics programs, in an efficient, effective, safe and high-quality care environment. Medical Staff are provided with the opportunity to achieve exceptional career-life balance with the opportunity and flexibility to tailor your practice to include additional interests in teaching, research, quality improvement and leadership roles.

To join our team, please forward a letter of interest and your curriculum vitae to:

Michele Skerratt
Manager, Medical Affairs
Southlake Regional Health Centre
596 Davis Drive
